### Walking Fieldtrips

Often our students and teachers participate in activities that are within walking distance of the school. In an effort to facilitate these activities, we are asking families to complete this form to allow students to participate throughout the year. Please note that teachers will inform parents whenever students will be walking together as a class.

I give permission for my child to participate in activities that are within walking distance of the school. I understand that my child will be walking to the destination with his/her class under the supervision of school staff members.
